When you are told to do so, open your paper.

You will hear three items in French. **Before you hear each item, you will have one minute to study the question.** You will hear each item twice, with an interval of one minute between playings, then you will have time to answer the questions about it before hearing the next item.

Write your answers, **in English**, in this book, in the appropriate spaces.

You may take notes as you are listening to the French, but only in this book.

You may **not** use a French dictionary.

You are not allowed to leave the examination room until the end of the test.

Before leaving the examination room you must give this book to the invigilator. If you do not, you may lose all the marks for this paper.
